

frederico rivera río arquitectura

project Hotel Escondido, San Pedro Mixtepec, Mexico.

standout Each of the 16 guest bungalows combines a traditional thatched roof, or *palapa*, with the luxury of a veranda overlooking a private plunge pool.

daroff design + ddi architects

project Universal's Cabana Bay Beach Resort, Orlando, Florida.

standout Getaways of the 1950's and '60's inspired the furniture, color palette, and architecture of this part of the Universal Orlando Resort theme park.

rockwell group

project Andaz Maui at Wailea, Hawaii.

standout The lobby's centerpiece, under an oversize skylight, is the grouping of free-form furniture set in a bed of sand artfully raked several times a day.

alfonso architects

project Streamsong Resort, Bowling Green, Florida.

standout At this golf and spa destination, concrete columns pay homage to the massive deposits of phosphate rock discovered nearby in the 19th century.
